

Key to Science Fair Codes

Approval:

✓ = Approved → Continue to Next Stage

✗ = Not Approved → Revise & Resubmit

Levels:

I: Level I Project – Excellent (A/B)

II: Level II Project – Good (B/C)

III: Level III Project – Needs Improvement (D/F)

Comment Codes:

1. Project does not qualify for Sophomore Level I Credit (think of new topic/procedure)
2. Project has potential (revise and resubmit)
3. Project topic is not original and/or overdone (revise and resubmit)
4. Project cannot be done according to state and/or federal laws
5. Project must be done after school
6. Project must be done in a laboratory outside of school (industry, college, hospital, etc.)
7. Project requires approval by the Scientific Review Committee (SRC) before experimentation begins
8. Project requires special forms to be completed and approved by the Scientific Review Committee (SRC) before experimentation begins
